Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Art is the ultimate paradox of humanity. It constantly seeks to find kinship with the ephemeral quicksand while simultaneously pausing to contemplate over the mismatched heartbeats of each granule. Even more so, literary art, for it becomes the responsibility of 26 meager alphabets to rummage through the uneven contours of the chambers hidden by human emotions to capture them in all their masquerading complexity. This collection of poems seeks to narrate the journey of emotions to an eager language, when they are caught off guard in moments of extreme vulnerability and strength.
