Brand New Book ***** Print on Demand *****.Excerpt from Civil Government: Local, State, and National; And the History of Missouri This book has been written in the hope that it will serve to promote and improve the study of government and state history in the schools of Missouri. It is apparent that many children who leave the elementary school are ignorant of and indifferent to the simple facts of civil government in the United States as well as unacquainted with Missouri history. As most of these pupils do not attend a higher school this condition can not be remedied in the secondary school or college. The great majority of our voters and citizens must receive their training in citizenship during their years of study in the elementary school. Hence, the problem which arises is that of presenting historical and political facts in such a manner as to interest the pupil and develop in him true political ideals and sentiments. Recognizing that the child in the elementary school can appreciate only the simple facts of government it has been the endeavor to avoid difficult problems and to omit all discussions of a technical legal or constitutional character. Moreover, as it is believed that the child can more readily understand those institutions which are close at hand and can be used for illustration, the text begins with a consideration of local government. The average pupil can be made to understand the institutions of local government which come within the range of his personal experience. Illustrations with which he is perfectly familiar can be used and will serve to arouse his interest and stimulate his imagination. By drawing comparisons between the family and school and local government...
