Dimensions: 9.7in. x 7.4in. x 0.1in.As agencies across the federal government embark on large-scale organizational change needed to address 21st century challenges, there is a compelling need for leadership to provide the continuing, focused attention essential to completing these multiyear business-related transformations. At the same time, many agencies are suffering from a range of long-standing management problems that are undermining their ability to accomplish their missions and achieve results. One proposed approach to address these challenges is to have COO CMO positions in federal agencies. This statement is mostly drawn from GAOs report released today (GAO-08-34) that discusses criteria that can be used to determine the type of COOCMO that ought to be established in federal agencies and strategies for implementing these positions. To do this, GAO reviewed four organizations with COOCMO-type positions and convened a forum. GAO also discusses previous GAO work on DOD and DHS. GAOs report recommends that the Office of Management and Budget (OMB), working with the Presidents Management Council use the identified criteria when assessing the type of COOCMO positions appropriate for federal agencies and the strategies for implementing these positions. Also, GAO suggests that Congress consider these criteria and strategies as it develops and reviews legislative proposals for these positions. This item ships from La Vergne,TN. Paperback.
