Thomas Nelson Publishers, United States, 2008. Paperback. Book Condition: New. Workbook ed.. 244 x 185 mm. Language: English . Brand New Book ***** Print on Demand *****.In God s Eye View Workbook, Tommy Tenney leads readers on an exploration to their heavenly Father s heart. They will see how worship can lift them higher for a God s eye view of things as they seek the face of God, and then they can begin to see the trouble they face from God s perspective instead of being trapped in an earthly, time-bound viewpoint. The higher we go, the smaller our problems seem. Each chapter of God s Eye View Workbook is designed to provoke thought and encourage personal application of the Bible truths and principles contained in God s Eye View. Tenney writes, Remember that God s Eye View Workbook is a tool to help you draw closer to God and grow deeper in your Christian faith. It is not a race, so your goal should not be to rush to the finish line first. Spread your wings in praise and worship and mount up with wings like an eagle.
