SUMMARY OF RED NOTICE: BY BILL BROWDER - INCLUDES ANALYSIS

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Red Notice by Bill Browder A 15-minute Summary Analysis Preview: Red Notice: A True Story of High Finance, Murder, and One Man's Fight for Justice by Bill Browder is a unique story that blends biography, entrepreneurial business narrative, history, true crime, and a human rights crusade all into one book.Browder's grandfather was the leader of the American Communist Party. For Browder, going to business school and trying to be a capitalist was a good way to rebel against his liberal parents. After earning his master's of business administration (MBA), however, the standard post business school paths failed to inspire him. His grandfather had spent a lot of time in Eastern Europe and made a name for himself there. Young Browder thought if his grandfather could find fame and distinction there, so could he.Lucky for Browder, he graduated in 1989, the same year the Berlin Wall came down, leading to the end of the Cold War. PLEASE NOTE: This is an unofficial summary and analysis of the book and NOT the original book. Inside this Instaread Summary Analysis of Red NoticeSummary of entire bookIntroduction to the Important People in the bookKey Takeaways and Analysis of Key TakeawaysAnalysis of the Themes and Author's Style About the AuthorWith Instaread, you can get the summary and analysis of a book in 15 minutes.
