Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is an action-packed thought-provoking storytelling episode of the turbulent journey of a tenacious footballer, his six female friends and strangers. Additionally, the story traces heart-throbbing episodes including boisterous events leading to Regional and National Football Championships. The first woman ever to coach a male soccer team becomes the talk of the town. **A Sea of Plight and Pure Joy of The Gold Coast Boy** portrays some common impediments at school, in sports, social life and even at the workplace which could be devastatingly ugly. Yet, these obstacles can bring out the gold, diamonds and sustainable faith in the reader and listener. The resilient football star popularly known as Gold Coast Boy has other talents to the admiration and jealousy of his good friends and not-so-good friends, respectively. His genetic engineering of glow-in-the-dark coconut trees that surpass the fabulous radiance of American Fourth of July fireworks inspires teenagers worldwide. How Key-Head (KH) exhorts other teenage girls to use genetically modified viruses in combating the ferociously sprawling civil war against Ebola, HIV/AIDS and other life-threatening agents that have been playing peek-a-boos with humans is explored. The global educational value of the Krobo Dipo Girls cultural heritage is displayed with youthful exuberance just for your cultural journey. Tighten the belt of your life jacket as you navigate the rest of **A Sea of Plight**. Be prepared for the **Pure Joy** as well.
