BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Part-time actress, full-time party girl Lorelei Branch isn't famous yet, but she's perfected a Hollywood lifestyle full of clubbing, fashion, and the latest juice cleanse. When Robin, her sister-in-law and agent, throws a plum job her way, Lorelei jumps at the chance and auditions to be the new girl on television's hottest reality show, Flo's Studio. Enter Colleen, Lorelei's pill-popping mother, who wants nothing more than to see her daughter win the fame and glory she never had a chance to pursue herself. But Lorelei's dream of becoming the next reality star is dashed when she loses the spot on Flo's Studio to a stunning African woman. In an attempt to defend her daughter against what she calls a rigged contest, Colleen goes ballistic and delivers a racist rant on live television, sparking a national media frenzy. Lorelei flees the limelight, humiliated and broke, with her slacker boyfriend, Don, and heads for Reno, where she begins to self-destruct. Meanwhile, the rest of the Branch family starts to come apart at the seams. Colleen and her husband, Carl, are quietly drifting away from each other. Darren, Lorelei's older half-brother, is stuck in Florida working on a contentious film set while his wife, Robin, continues the tedious regimen of fertility drugs meant to help them conceive a child. Desperate to bring the family together again and make things right, Colleen hatches a plan to stage an intervention for Lorelei on the reality show Real Happy Family. Soon the entire Branch family is entangled in a mission to bring the prodigal daughter back into the fold. Will Lorelei ever forgive Colleen? Will Real Happy Family air...
