

Cats Dont Do Geometry

By Carl W. Anderson

AuthorHouse. Paperback. Book Condition: New. Paperback. 128 pages. Dimensions: 9.3in. x 6.1in. x 0.3in. Cats Dont Do Geometry is a collection of mostly humorous verse in which Carl Anderson pokes fun at much of todays prevailing wisdom and presents some alternative ways of looking at things. It is perhaps unusual for a poetry book in that Anderson has arranged the poems-- which he characterizes as doggerel--according to subject matter, instead of distributing them randomly throughout the book. Anderson says he did this because under the random format, some of his early reviewers misconstrued his intent. Many of the poems are somewhat cynical in tone, but Anderson does not advocate cynicism: Misfortune and injustice impose themselves on all of us to various and sometimes outrageous degrees. Although I think there is much to be skeptical about in life, we need to overcome cynicism and negativity. This is necessary to achieve either our own goals or higher purposes in life. And thats what Cats Dont Do Geometry is really about. The first part of the book touches on our relationships with cats and other critters and provides a fuzzy warm-up for the themes covered in later parts. Some of the themes include: An Educated...

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
