## E-Z Calculus (5th Revised edition)

By Douglas Downing

Barron's Educational Series Inc., U.S. Paperback. Book Condition: new. BRAND NEW, E-Z Calculus (5th Revised edition), Douglas Downing, The author of this title tells an entertaining story about travels in the fictional land of Carmorra. In the process, he introduces a series of problems and solves them by applying principles of calculus. Readers are introduced to derivatives, natural logarithms, exponential functions, differential equations, and much more. Skill-building exercises are presented at the end of every chapter. New titles are being added to Barron's ongoing "E-Z" project, which entails updating the older, highly popular "Easy Way" books with improved content and handsome new designs. New cover designs reflect the brand-new interior layouts, which feature extensive two-colour treatment, a fresh, modern typeface, and more graphic material than ever. Charts, graphs, diagrams, line illustrations, and where appropriate, amusing cartoons help make learning "E-Z" in a variety of subjects. Barron's "E-Z" books are self-teaching manuals focused to improve students' grades in skill levels that range between senior high school and college-101 standards. In addition to their self-teaching value, these books are also widely used as textbooks or textbook supplements in classroom settings. "E-Z" books review their subjects in detail, using both short quizzes and longer...
