Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

And I even remember that when she had finished a story, she used to lay her hand on my head and say: All this is as true, as true as that I see you and you see me. I also remember that she could sing songs, but this she did not do every day. One of the songs was about a knight and a sea-troll, and had this refrain: It blows cold, cold weather at sea. Then I remember a little prayer she taught me, and a verse of a hymn. Of all the stories she told me, I have but a dim and imperfect recollection. Only one of them do I remember so well that I should be able to repeat it. It is a little story about Jesus birth. Well, this is nearly all that I can recall about my grandmother,...
