### **Reviews**

*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).*

## TRUE TALENTS

St Martin's Press. Paperback / softback. Book Condition: new. BRAND NEW, True Talents, David Lubar, It's been over a year since fourteen-year-old Eddie "Trash" Thalmeyer and his friends from Edgeview Alternative School found out about their special "hidden" talents. Trash can move things with his mind, Torchie is a fire-starter, Cheater reads minds, Lucky finds lost objects, Flinch can predict the future, and Martin can see into people's souls. Now back home with their families, all the boys want to do is get back to their normal lives, start attending high school, and keep in touch with their friends from Edgeview. When Trash tests his power in a bank and accidentally steals a fistful of cash, he is kidnapped by the ruthless leader of a shadowy company whose purpose is to gather information about psychic phenomena--and who is willing to do anything to get it. Torchie, Cheater, Lucky, Flinch, and Martin join forces to rescue their friend using their hidden talents, and discover their "true" talents in the process.
