

Photoshop Elements 8 for Digital Art, Illustration and Cartoons: Drawing, Painting and Being Creative in Elements

Filesize: 4.12 MB

Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Michael Spinka)

PHOTOSHOP ELEMENTS 8 FOR DIGITAL ART, ILLUSTRATION AND CARTOONS: DRAWING, PAINTING AND BEING CREATIVE IN ELEMENTS

DOWNLOAD

Inkline Press. Paperback. Book Condition: New. Paperback. 572 pages. Dimensions: 9.1in. x 7.3in. x 1.3in. This book is for anyone who wants to draw or paint on a computer - for which Photoshop Elements is the perfect programme. Typical manuals for Elements are aimed primarily at using the programme to manipulate photographs, so naturally they have section after section on how to alter and adjust photos. Because of this concentration on photographic images most manuals follow a route that isn't necessarily of direct relevance to someone who wants to learn how to draw and paint using the software. The basic techniques of drawing and painting in Elements are essentially very simple skills to acquire, so the book includes a step by step quick start section - a guide to the fundamental, no frills techniques necessary to create artwork. This is a hands-on section introducing all of the necessary features needed for creating finished artwork, with no technical knowledge required whatsoever. This whole section can probably be completed in only one or two sessions at your computer. Later chapters elaborate on different aspects of the programme in more detail, starting with those that are most useful to the drawing and painting processes such as the use of brushes and layers. Further chapters deal with topics such as how to make adjustments to your work and how to embellish it by using special effects such as filters. There are also chapters on how to use a scanner to import images such as sketches that are drawn on paper (and photographs of course), and on how to output your work when it's finished - either by printing it out or by using it electronically in emails or on the web. As an aid to helping the reader to navigate through the book's contents, the...
