By E Hannak

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Training of Teachers in Austria Training, Vol. 2 It is a pleasure to be able to place before American and English teachers so clear and concise an account of the training of teachers in a foreign country as Dr. Hannak has kindly consented to prepare for the Educational Monograph series. In the United States the provision made for the training of teachers is insufficient and lamentably defective. Our colleges are in large measure to blame for this state of affairs, for they have almost uniformly neglected to recognize pedagogics as worthy of a place in the curriculum and so have contributed to the spread of the utterly false notion that any one who possesses a fair knowledge of subject matter is competent to teach it, particularly to young children. Even Hrabanus Maurus with his scienti plenitudinem et vit rectitudinem et eruditionis perfetionem, had a higher ideal than this. Added to this is the fact that the majority of our normal schools, both public and private, have made pretentions far beyond the knowlege and ability...

The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
