Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from How to Make Individual Dress-Forms Since the beginning of the last century there has been, among women who do their own dress-making, an increasing demand for dress forms. The first forms put on the market were the simple non-adjustable ones but since no two people have a form exactly alike they were found unsatisfactory. This obstacle of dissimilarity in people s forms was partly removed by the invention of the adjustable forms, and with the realization that there is such a difference in every person s shape, the number of parts of the adjustable forms has been increased to almost a score. This necessitated increase in the number of sections in the forms now on the market, alone proves that they do not come up to the standard of perfection. They fall far short of what they should be and what the home dress-maker would have them, the complete adjustability to the individuality of the person for whom the sewing is being done. While non-adjustable and adjustable forms are a great boon to dress-making and...
