With their extended and blended families, they try their best to navigate modern life. and bring comic relief to the daily disasters we all experience. Val and Joan's two households, separated by only a fence, are a constant source of comfort-- and irritation-- to each other. The Stone family includes a middle-school diva and her tomboy little sister; a bouncing-off-the-wall three year old and a teenage boy cousin, their patient but bewildered stepdad; and an opinionated grandmother. And of course, there's a dog. Readers will see themselves or someone they know in this book.
