Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from *The Gospel in South India: Or the Religious Life, Experience, and Character of the Hindu Christians* The following work has been compiled as the conclusion and complement of two others previously published, viz., *The Land of Charity*, on the general features, superstitions, and mission history of Travancore, and *Native Life in Travancore*, on the social and political condition and ethnography of the people. To the Christian missionary everything ethnological, social, and political, is but subordinate, and leads up to the spiritual features of mission work to the great end, the salvation of souls and the universal extension of the Church of Christ. Valuable and full reports of the Travancore Mission of the London Missionary Society, prepared by each of the missionaries from year to year, have been locally published for nearly thirty years past, and these contain a vast storehouse of facts and incidents which are in danger of being lost in this fugitive form. My purpose has been to rescue from oblivion, and place on record in a more permanent form, these authenticated and verifiable facts and phenomena of spiritual life and vital Christianity. It seems a pity not to preserve such valuable information, which will be needed a century hence. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
