

Spies, Politics, and Power: El Departamento Confidencial En Mexico

Filesize: 8.62 MB

Reviews

These types of book is the greatest ebook readily available. I was able to comprehend every little thing using this published e pdf. I realized this pdf from my dad and i encouraged this publication to discover.

(Dr. Porter Mitchell)

SPIES, POLITICS, AND POWER: EL DEPARTAMENTO CONFIDENCIAL EN MEXICO

Texas Christian University Press,U.S., United States, 2012. Paperback. Book Condition: New. New.. 211 x 150 mm. Language: English . Brand New Book. In the decades following the Mexican Revolution, regional strongmen vied with powerful generals and popular rebels for control of Mexico s future. During this era of uprisings, government corruption, and political intrigue, Mexico took its first, faltering steps toward democracy. In the midst of the turmoil, plainclothes agents, traveling under multiple aliases and reporting in code to their superiors, served as the eyes and ears of the national government. In *Spies, Politics, and Power: El Departamento Confidencial en Mexico, 1922-1946*, Joseph A. Stout traces the development of Mexico s Departamento Confidencial (Confidential Department) from the years of its infancy to its later incarnation as a fully fledged international espionage agency on the order of the CIA, Russian KGB, and German Gestapo. Stout charts the department s evolution under the administration of several powerful presidents--and a handful of puppets--from the postrevolutionary period through World War II, when the agency turned its attention from monitoring internal threats to focus on matters of national security. Stout devotes special attention to the agency s wartime role in the investigation and containment of individuals whose Axis ties made them objects of government suspicion.Offering a twist on conventional history, Stout takes us behind the political curtain to illuminate the crucial role played by an unlikely assortment of government bureaucrats, international spies, low-ranking agents, and office clerks within the drama of Mexican nationhood. In his comprehensive and thoroughly researched account, Stout offers a narrative propelled not by the back-and-forth of rebel violence and brutal reprisal--though there is no dearth of such material--but by a story driven by the power of information. For Stout, intelligence, as much as military might, is the key to political power...
