Reviews

An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Elenor Koch PhD)

BLACK BOX

Transworld Publishers Ltd, United Kingdom, 2015. Paperback. Book Condition: New. 198 x 127 mm. Language: English . Brand New Book. Three fateful encounters.Two heart-breaking tragedies.One last chance to get it right. Over the course of five years, Mikki and Crush have crossed paths twice. Their first encounter changed Mikki s life forever, but the second left them both buried beneath the emotional wreckage of a violent attack. Mikki is left with more questions and grief than she can handle, while Crush is forced to forget the girl who saved his life. Now Mikki Gladstone has decided she s tired of the mind-numbing meds. She books a flight to Los Angeles to end her life far away from her loving, though often distant, family. Crush has always channelled his blackest thoughts into his music. He decides to fly to Los Angeles to record a demo of the only song he s never performed in public; a song he wrote for a girl he doesn t even know: Black Box. He has no expectations of fame and he s never felt like his life had any purpose, until he meets Mikki in Terminal B. When their paths cross yet again, neither has any idea who the other person is - until they begin to piece together their history and realize that fate has more in store for them than just another love story. Cassia Leo is also the author of the Shattered Hearts series, comprising Relentless, Pieces of You and Bring Me Home, and the series spin-off novel Abandon (can be read as a standalone).
