Brand New Book ***** Print on Demand *****.Excerpt from Report of Ogden Public School Survey Commission A year ago a proposal was made in Ogden for vitalizing the schools by reorganizing them on an industrial plan, having a half day of academic and a half day of industrial, social and physical work, and in certain cases boys and girls were to be excused from the industrial half day of the school to take their industrial work in some of the approved industries of our city on the co-operative plan, on the theory that the real, practical work of life should be an essential part of our educational system; provided that it shall be thoroughly supervised and that the intellectual, physical and social progress of the student shall not in any way be hampered. Some kinds of work have little or no educational value. Other kinds are injurious to body, mind and morals. The child should be protected by the school from entering such employments. It was also thought that the educational value of earning and saving money was an important thing in the training...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- **Prof. Arlie Bogan**

It is in a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
